

13th ANNUAL FERNDALE PUB CRAWL

FRIDAY JULY 31, 2009

TO: Potential corporate sponsors, Ferndale area business and club owners

Re: Pub Crawl Inclusion, Event Info, Sponsorship Opportunities

Planning is underway for one of the most popular and anticipated events each summer in Ferndale. The 13th Annual Ferndale Pub Crawl will again be held the last Friday in July, and this year we are planning for the **number of participants to surpass 1,500**. We are also planning on changes this year to help the bars and restaurants manage these crowds, while ensuring safety and fun for all.

This event began 13 years ago with 36 people walking to a half dozen bars in downtown Ferndale. This year the crowds will visit up to 18 establishments. All funds raised go to local tax-deductible charities, such as the Ferndale Police Auxiliary, FernCare, Ferndale Community Foundation, and the Michigan AIDS Coalition.

The event is a walking tour of the pubs, bars, and restaurants in downtown Ferndale. No motor vehicles are permitted. The crowds of residents and visitors are very diverse, made up of women and men, gay and straight, from many cities and regions of Michigan, other states and countries, and they range in age from 21 to their late 70s. They are professionals, blue and green collar. They buy food and drinks, and they see the shops and stores that abound in our vibrant downtown.

This year will again include multiple waves of walkers taking varied routes to the stops. Each venue should experience constant waves of patrons that will arrive at staggered times through the evening. This also will prevent any one bar from being "last." The result will be more business for your individual clubs, with less stress on your staff.

We have an army of volunteers who will help with the event. These volunteers, along with support from the City, the DDA, local groups and the charities, will ensure another smooth, successful event.

See the attached sponsorship information sheet, which includes the costs to be a stop on this year's crawl. Our deadline is early this year ... **to ensure your participation, reply (with check) by June 15, 2009. We must also limit the total number of stops this year. Make checks payable to MAC Pub Crawl.**
